Production URL : <https://eoihavana.gov.in/>
Audit Period : 11th February 2026 to 13th March 2026
Compliance Verification Date : 13th March 2026
Hash Value : 1729400808ACF60D5C37EB6760E680527
7922FE8D4105544213760BEF7DCE3B2
Path : C:\Users\WCO Pvt Ltd\Desktop\audit.zip
Certificate Validity : 1 year (12th March 2027)

The above web application has undergone Vulnerability Assessment & Penetration Testing, by our organization through provided testing URL as per guidelines, advisories, white papers and vulnerability notes, directions issued by CERT-In. We also tested the web application against various Web Security Standards like OWASP Application Security Verification Standard (ASVS), Open Source Security Testing Methodology Manual (OSSTMM3), Common Weakness Enumeration (CWE), Common Vulnerabilities Exposures (CVE), Common Attack Pattern Enumeration and Classification (CAPEC), SANS Top 25 Software Errors and Comprehensive Audit Program Checklist issued by the Cyber Security Division, Ministry of Electronics and Information Technology etc..

The audit was conducted on the given staging environment, not in production environment.

Conclusion: Based on the audit outcomes, it is certified that the above application is free from any known vulnerabilities as of the audit date.

The assessment represents the security posture of the application at the time of testing only. Any changes to application code, configuration, infrastructure, deployment architecture or security controls after the assessment period may invalidate this certificate. The certificate is valid only for the explicitly defined scope.

Other Recommendations:

1. Web Server Security and the OS hardening need to be in place for the production server.
2. Web Application should comply with Guidelines for Secure Application Design, Development, Implementation & Operations issued by CERT-In.
3. Organization must comply with the Directions issued by CERT-In (Notification No. 20(3)/2022-CERT-In) dated 28 April 2022 relating to information security practices, procedure, prevention, response and reporting of cyber incidents for Safe & Trusted Internet.
4. Auditee must also follow the Technical Guidelines on SBOM | QBOM & CBOM | AIBOM | HBOM | Version 2.0 issued by CERT-In dated 03.10.2025.
